

Norbit

HAVE THE EDGES
THEY'RE GOOD FOR YOU

BOOKENDS

Opposites. Pairs. Halves. Doubles. Corners. A big gap in the middle. However you look at them, these quirky little (or in Norbit's case, big) things really stand out.

- **Mix up your messages or have them all the same.**
- **Go for lots of different sizes, or just go for the one size. You choose.**
- **They're great either side of the TV page.**
